IIMK celebrates 31st foundation day

Kozhikode: The Indian Institute of Management, Kozhikode (IIMK), celebrated its 31st foundation day on Friday, marking the completion of 30 years of the institute's journey in Kerala. From its inception in 1996 as the fifth IIM in the country, the institute has evolved into one of India's leading institutions for management education, research and leadership development, securing a spot among the top three management schools in the country. The foundation day celebrations were graced by Vice Admiral Alok Ananda, YSM, Commandant, Indian Naval Academy, Ezhimala, as the chief guest. Prof Debashis Chatterjee, director, IIMK, presided over the function. Congratulating IIMK on the milestone, Vice Admiral Alok highlighted the dedication and selfless efforts of generations of people who have contributed to building the institute. Drawing parallels with the Navy, he noted that both institutions transform raw talent into national assets, preparing individuals for larger responsibilities and service to the nation. He also lauded IIMK's ability to overcome geographical challenges to emerge as a flagship centre of learning, emphasising the shared values of excellence, wisdom, character, values and contribution to society.
